- statement of full legal capacity and no criminal record (according to the Article 113 of the Polish Higher Education Act);

- documents confirming experience in the implementation of the teaching process
- participating in the implementation of research or teaching projects acquired through domestic or foreign competitions

Employment will take place after a competitive selection process **in accordance with Chapter VI. Stages of the recruitment process, OTM-R policy** consisting of:

- analysis of the submitted documentation,
- conducting interviews (face-to-face or via instant messaging software).

Required documents must be submitted at **Dean's Office of the Faculty of Electrical and Computer Engineering at the Cracow University of Technology, 31-155 Kraków, Warszawska Street 24**, room 203, 9:00 am-3:00 p.m.

The document folder should include the following note: ***regarding the competition for the position of Associate Professor (F/M) in the group of research and teaching staff in the Department of Infotronics and Cybersecurity (E-3), reference number E00.1102.1.2026.*** or send scanned copies to the following e-mail: e-0@pk.edu.pl

Documents must be submitted **by March 20, 2026.**

The application must include the candidate's e-mail address for contact purposes regarding the recruitment process.

Announcement of the recruitment process outcome: **by March 31, 2026**

The competition proceedings are conducted in accordance with the rules set forth in the OTM-R Policy: [OTM-R Policy](#)

Please be advised that the following apply at Cracow University of Technology:

- Procedure for receiving reports and taking follow-up action at Cracow University of Technology, adopted on the basis of the Act of June 14, 2024, on the protection of whistleblowers.
- CUT employee remuneration regulations

Cracow University of Technology reserves the right to contact candidates (F/M) whose applications meet the necessary requirements and have been rated highest by the Selection Committee. Information on the results of the competition will be published on the CUT's Public Information Bulletin website and the Ministry of Science and Higher Education website.

The submitted documents can be collected at the Dean's Office of the Faculty of Electrical and Computer Engineering (room 203) on **April 1-2, 2026**
Documents not collected within this period will be destroyed.

Cracow University of Technology reserves the right to cancel the competition without stating reasons.

The result of the competition is not tantamount to the employment of the candidate (F/M), but is only a recommendation to the Rector. The final employment decision rests with the Rector.

Information concerning the processing of personal data

The administrator of your personal data is Cracow University of Technology with its registered office in Krakow, at 24 Warszawska Street, 31-155 Kraków, represented by the Rector of Cracow University of Technology.

Your data will be processed by us solely for the purpose of the current recruitment process, and if you give your consent on your own initiative, also in future recruitment processes. Please note that you may withdraw any consent at any time, but the withdrawal of consent does not affect the lawfulness of processing carried out prior to its withdrawal.

In connection with data processing, you have the right to access your data, request its rectification, deletion, or restriction of processing, object to its processing, transfer data, and lodge a complaint with the President of the Office for Personal Data Protection.
